“ *Catherine, Junior and family, our prayers and thoughts are with you all during this difficult time. Agatha was one of the sweetest persons I've ever met. I will forever remember the hard work she put in when she dug up those irises and some other plants and gave to me, along with instructions on just how to trim and plant them. They turned out so pretty and I was so tickled to have them. I remember those times taking her to physical therapy and how well she always did, never complaining, but instead smiling all the while. She came with me once to our ladies mission meeting and lunch at church and everyone loved her. I will truly miss her and all those greeting cards she would send me throughout the years. Comfort your hearts now with all the beautiful memories you have of her. God bless each of you.*
