“ *Ann was a special lady, we sat behind them at church, and she seemed to love the gospel songs we would sing. The love she and Larry showed toward each other was beautiful, I jokingly asked her once if that was the way it was at home and she said " that's the way it is all the time" a true example of marriage. We will miss Ann but she is singing with the angels now!! Our love to Larry, Stuart, Leah & Clay.*

“ *I love you and my life and families life was better because you were in it. I have known you all of my life so many joyful memories of you. I know my Mom and Dad were so happy to see you as you entered the gates of Heaven. Love to Larry and your sons and grandchildren. Thank you for your laughter and love so glad I got to see you when I was home when Mom passed.*

“ *My beautiful sister loved life - God, family, friends, and "work." Only 2 short weeks ago, even as her health was failing, she was contemplating her work for the spring. Flowers were her passion. Ann enjoyed using her hands and mind to create artful pieces that touched the lives of others! Her "work" was love made visible. My sister, my friend, I miss you.
