“ You always had a beautiful kind heart. I remember coming to stay with y'all when I was 12 and you welcomed me in like one of your own. I know you will be missed dearly but you are now in a far better place. I pray for peace and comfort for your daughters and husband, losing a parent is hard but you've taught them well.

“ Barbra (mom)- It's very hard for me to write this to you as a memory because you will always be here with me. You have been like a 2nd mom to me for over 35 years. From being your oldest daughters first boyfriend and true love till the day I married her 35 years later I feel you was a part of my life. I'll always remember the moment you told me you loved me and accepted me as part of your family. I'll also remember you for the big beautiful brass eagle you gave me that's sitting on my dresser and eagle belt buckle. But most of all I'll remember you because a part of you will be apart of me the rest of my life. Being married to your beautiful daughter Marcheale since she looks so much like you. Your beauty will always shine through her. I love you mom and will dearly miss you.

“ *Mom I have so many wonderful memories of you and there is no way I can pick out just one. You are and will always be an awesome mother. I have all these wonderful memories to last me until we meet again. Okay I will not be selfish and I will share one of my great memories that include the two most important women in my life that helped shape me. I remember in high school when you, Mom, would bring grandma to school and pick me up and we would go strawberry picking. Those days are one of literally thousands and thousands of great memories I have. I love you and will miss you until we meet again in Heaven. Love you so much, Marche.*

Barb,I have great memories of the time the four of us spent in Chicago. Going to see the Christmas lights and windows on Michigan Ave.The Sunday we all went sledding in the park and went and got hot chocolate afterwards. The New Years Eve the four of us celebrated together.What fun we all had together.I especially remember the one on one times u and I spent together.Visiting or just hanging out together at ur house.Being there at Mendy's birth.Taking u to ur doctors appointments,because Rod and Jim where at work.So many great memories. The four of us where pretty close at that time.Thank u sis for sharing and letting me be apart of ur life back than.It is and was some of my most treasured memories.The e-mails we shared over the last months or also very dear to me.They will remain in my heart and memory forever.I will Love and Miss U.But when I think of u and ur beautiful spirit in no more pain suffering,than I rejoice for u.With all my love my dear sister.Ur little sis,Darlene.
