“ Barbara was always so kind to me. She was such a positive person & always supportive. We talked a few months ago & she invited me to come for a visit. On the day she died I called to check on her & make plans for a visit to her. That is when I found out she had died. She lived a good life & now a new one starts! May God comfort her loved ones & may a peace only from God carry them through their loss. A friend, Shirley Miller
