“ *She was truly a godly woman. You knew when she prayed, they went further than the ceiling. She prayed for one of my own and I knew God answered her prayer. You are in my thoughts and prayers.*

“ *I just talked to Jan last night and she told me that she was probably in her last days. I'm so very sorry to hear. Sending my love and prayers to the family! Aunt Barb was a great woman! Being that my family still lives in Michigan, when we would come down to visit I remember very well her insisting on making us a proper breakfast before we headed back home. There was enough food for an army! RIP Aunt Barb and I know a lot of people waiting for your homecoming! ❤️*
