

Beth Avirett

March 21, 1960 - October 31, 2024

First, we want to start off by telling our mother & our father's wife of 35 years of marriage that "We love you and so did everyone that had their lives touched by you." This is for the people that did not know you or just need a reminder of who you were.

The most loving, passionate, intelligent, brave, joyful, dedicated, stubborn, and once again loving person in our world took her final journey on October 31st 2024 at the age of 64 years old. Her name is Bethzaida Tupaz Paleracio Avirett, formerly of Always Travel With Beth. Her story is a culmination of great unwavering spirit and tribulation. She was not Jesus, The Pope, or even the President; However, she is and always will be the greatest person we have ever known and loved. Her accomplishments were not gold and riches, yachts and fast cars, or mansions and monuments. Her life was something much greater. Her greatest gift was the magnetizing force she had to spark hearts and minds to reach their greatest potential. Honestly, her next greatest gift and curse was her stubbornness and her fight to never give up.

Her life was dedicated to ensuring that our family stuck together through all trials with unconditional love. Now we will continue her life's work and continue to come together to help her memory live on through us.
