“ Our cousins sleep over last summer at cousin Effie house. David came the next day we all went to lunch. Effie & David know the end to that story. 😭. I'll miss you my sweet cousin.

“ She took me in and made me part of her family from December 1988-July 1989. I was 17 and an exchange student from the Netherlands, going to Plainview High. She made me feel welcome and treated me as she did her daughter Regina, who still lived at home. I have fond memories of that time and her laughter. May she rest in peace and may her family find support in their sorrow with each other. 🌸

“ Betty was a great example of a classy woman. I always admired her growing up and wondered why I could never look as pretty and put together as she always did with little effort So glad I got to spend some time with her and my cousin Jimmy last October. Rest in peace Betty
