“ *Betty was such an inspiration, she and Buddy were such sweet people, they would come to prayer meeting and even though they felt bad would pray for their family , my family , etc., she made 1000 jars of soup for someone in need and that was the best soup ever! She and Buddy even grew the vegetables for it. She scolded me when I cried when I saw her in her wheelchair, she said those better be happy tears! I am going to be fine one way or the other, I will miss her so much, she said allot with out saying a word, Joyce Craig*
