Tribute Wall

JK

“ *My sister - no words are strong enough to pay tribute to you. Being older by 4+ years you taught me so much through our lives. You were always there for me. We could talk about anything. We had our stubborn moments, but we never lost our strong love for one another. You were tiny, funny, intelligent, compassionate and loved everyone. You always had so much wisdom to pass along. You will be sorely missed.*

Joyce Kay - October 01, 2024 at 01:59 PM
