“ Dad,
I simply wish we had more time!! Thank you for everything you did to make sure that i was ok, thanks for the trips to Florida and the help with the house.
I will cherish all the things you found on your shopping trips for me and the way they made me laugh.
Thank you for your service to this country, your big heart and giving nature that you passed on to us.
I did not expect to lose you so soon but will be eternally grateful that i was there to see you one last time.
Please watch over us until we meet again
Love

“ My brother Billy had a good heart. He was my security in life. He was my protector. I will love and miss him the rest of my life ❤️❤️ I loved him for 73 years. I need God to bless me and the family to help us through this loss 🙏
Billy mowed lawns at 9 years old to buy a rowboat. Well, he saved and bought that rowboat, even though it needed a lot of repairs. Billy had already been planning for Christmas. He knew that he could fix it and sell it to make money. He mowed, worked on that boat to sell. For Christmas he bought Joyce and me the dolls we wanted. That was my Big Brother, BILLY!

“ *My darling brother will always be remembered for his huge heart. Even as a child he was generous and giving. He was always my protector. I have many memories of him coming to my rescue. He never cared about himself, only those he loved . I will miss him terribly . I will hold dear his hug and last words to me " I love you too Sis"*
