“ *I never really knew my father but hearing about him I knew he was a hard working man, and though our paths never crossed, there is a piece of him inside of me that wishes we had. I never knew he had other children or if they wanted to know me at all below is my email in case someone could tell me more about him Robertross87@gmail.com*

“ *I have vivid memories of Uncle Bobby when I was 6 years old. He came to Michigan to work and lived with us for a little while (then, I think he thought it was too cold in Michigan, and returned to Alabama! Ha ha!) Anyway, that was the most time I was ever able to spend with him. However, I know that my Mother, his middle sister, Eva Mae, sure thought he was a really good guy. I know that my Aunt Deanie thinks he is very special, too. My brother Steve and his wife Dayna visited with Uncle Bobby and Rachael a couple years ago and they were very happy to be able to share some good times with them and they thought very highly of both Uncle Bobby and Rachael! We're very sorry for the loss of Uncle Bobby, but he is out of pain now and in heaven with his brother and a sister. My sympathies especially go out to Aunt Deanie and Rachael because I know they will miss him tremendously. May God be with all of you at this very sad time.*

*Love,*
