Shane Freeman - June 13, 2020 at 10:45 AM

Bronson & I got together in October 2011. In our 9 yrs together we shared alot of love, tears, disagreements, failures, flaws, heartaches, secrets, adventures, losses & lots of priceless precious memories! The one thing I longed for all those years, never happened. I dreamed of us many times in a beautiful home, sharing time with our kids & grandkids. Many times I dreamt it. It breaks my heart that it never came true. It just wasn't apart of God's plan. God knows what we need. He can look ahead in our life & see the traps & pressures the devil is laying for us. Thats why he have to follow the holy spirits leading & he will maneuver us safely around them to victory. R.I.P. BRONSON YOU LIVE IN MY HEART ALWAYS

“ So sorry for your loss. I have wonderful memories of him. I remember once when his mom whooped him on the front porch in front of the neighborhood. That's when they lived in New York and they were my neighbors. I felt extremely embarrassed for him. ❤️ Sending hugs and prayers for the whole family.
