“ *Dear Doug & David!*

I'm sending my deepest condolences to the both of you. I want you to know that I have enjoyed my many phone conversations with my sister & your mother Carol over these past few years. She shared many memories of her youth and her life with your father Bob. She also shared many memories of our Dad that I will cherish. She was a jokester that had me in stiches many times. We bonded after the passing of our sweet sister Katie. I was grateful for the renewed relationship with my big sister.

I would have loved to be there today as you send Mom off to God. I know that she is at peace now with all her beloved family & friends that have gone on before her.

A message to Carol - "Behave yourself now".....as she used to close out everyone of our conversations with me!

*May God Bless you both,
Aunt Sherry Tarantino (Burns)*
