“ I am heartbroken to see that Carol passed. I just seen her tribute today. What a beautiful soul. I actually got to know her and Paul few years back as Paul was in my cardiac rehab class. Those 2 people were so blessed to have found each other and have made a family and maintained a living happy marriage all these years. Carol will be missed and so is Paul. You really could not say one name without including the other. Prayers and thoughts are with her family, may God ease the pain of her loss and give you peace and comfort knowing she js in the loving arms of her maker

“ I come to you all w/a humble heart as I pray you find Comfort, Peace & Understanding as you journey on .
Remembering such a Remarkable Woman & Child of GOD!
I had the incredible privilege of spending time with Ms.Carol before her passing. At 84, she had a spirit that sparkled & a lifetime of stories that captivated everyone around her. I'll forever cherish the moments we shared & the wisdom she imparted. Her warmth, humor & resilience left an indelible mark on my heart, & I feel so grateful to have known her. She will be deeply missed, but her memory will undoubtedly continue to inspire all who were fortunate enough to cross her path.
