“*Jeremy, January, and Julie, I am so very sorry for your loss! I just found out today of Carolyn's passing. I have literally known her my entire life I feel like. Two of my favorite memories with Carolyn- She drove me to the hospital when I was in labor with Aydan and after my dad passed, at Christmas, she made the most beautiful flower arrangement and brought to me to put on his grace . Mrs. Polly I am so sorry. I love you all!*
