“ *Where to begin... I grew up without a dad and when I met Mr. Elrod he said “I can fix that” and he did. He loved me so completely and so truly and reminded me daily that I was one of his! I was honored to be his “handy Mandi”. He would call me for things as big as working on his car and as small as helping him straighten his tie. You were a one of a kind sir and I will forever miss you and long for one of our talks or that handshake that only you could offer! Mr. Elrod will always be my Mr. Magoo! I love you! See you on the other side!*

“ *I delivered Mr. Charles Elrod mail and packages to him for 9 years. It was always a joy to see him smiling and greeting me. Mr Elrod was so energetic and friendly. There were times when it was cold or rainy outside, Mr. Elrod would try to offer me a jacket. I’m definitely going to miss talking to my customer/friend and delivering his mail/packages. Condolences to his family and friends.*

“ *Mr. Elrod was a tenant of mine. Everyone here loves him so much and he will truly be missed. No matter how he was feeling, he always had a smile on his face and wanted to talk. He was a real sweetheart. I am so sorry for the families loss.*

I loved that sweet man, he always called me his niece, and treated me like family.
