“ *It is crazy how short life can be. I remember going to Sunday school, Vacation bible school, and church with Chip. I feel like it was just a few years ago but it was quite a while ago. He was always so funny and sweet, and I still remember him that way. We both had big dimples in our cheeks, we both liked to draw silly pictures, and he was always so nice to me. We were really little back then, probably around 7 or 8, but him and his family are some of the best people I have ever known. I am praying for them every day and I know they are hurting so bad. I know he is up there enjoying the beautiful wonder all around him, and we will hopefully one day all join him.*

“ I have known this family literally as long as I can remember. I remember Chip and Carley coming to play at my house and I remember going to their house right there on 27. Chad was just a little guy. My heart hurts for this precious family. Even tho the years have passed since we all played together and I don't see them much, I still love them dearly. I pray earnestly for that peace that passes all understanding. It's the only thing that guards hearts and minds. Much love and prayers for this family! Casey
