“ I knew Chris for over 20 years, "Garren-teed!" We were close, for about 10 years of that time. I pray you know rest and peace, my friend. In Jesus' name, I pray. Amen

“ I've only known Chris for probably around 3 years or so , but I really thought very highly of him. We had a decent amount in common, and whenever we'd bump into each other we would usually stand and talk forever. I considered him a really good friend. RIP my good friend! I'll see u one day fairly soon. Sending my very deepest heartfelt condolences to his family and friends.
