Dava Loved her apartment, always cleaning & being busy in her humble home. She loved watching Gunsmoke and the old crime stories.

Special Thank you to the Staff at Collinsville Nursing Home. They met her every need and ours. She loved "Fussing & Playing" with the nurses & staff. She often gave them a reason to call her by her childhood nickname "Hateful Hester" dubbed on her by an uncle. She left this world surrounded by her family and children.
