“*Brother David was a great man of God and was dedicated to his work for our Lord Jesus Christ. He was a wonderful leader with me in our DeKalb Baptist Association Discipleship program. May God bless and encourage each of his family members.*”

David Johnson was the epitome of a true Christian. I will never forget him passing by and saw my daddy pulling the well from the pump house on a hot summer day years ago trying to get water flowing. David saw the need to stop to help and he worked for hours until they got the problem repaired. He surely had the gift of help and used his gift freely!
