“ I will miss him he was a good friend we worked at Toyota together and then again at Harbinautomotive I'm still in shock I won't get to see him greet me in the mornings and joke thru-out the day. RIP peace my friend.

“ I'm so very sorry to hear of David's passing. He and I worked together at Howard Bentley Pontiac-GMC 25 years ago. He was a very nice young man who always looked after his Mother and Grandmother. I had the pleasure of taking him hunting one time and he had a great day and took his 1st deer that day. God bless David's family and those who were close to him. 🙏 RIP my friend

Oh my friend you will be so greatly missed. I worked with David at High Country in Scottsboro . He was such a great guy and made us laugh daily .

I saw him couple of months ago at a local grocery store . He shared he was at Harbin and was loving it . It's just so hard to believe . Love you my friend . Thanks for the laughter you brought to so many . God bless David's family . Rest in peace my friend ..
