“ So sorry about David . He was such a sweet soul. I've seen him really sick and struggling but he never complained and would always just go along with what needed to be done. Jan he's resting in peace now. No more suffering with his legs, or his breathing or anything else. He's made new again and walking the streets of gold without a pain.. you took amazing care of him and the love you had for him truly showed. You know how to reach me if you need me. Sending lots of love and prayers to you all. I will miss seeing him ..
