“ *I have so many memories of 45 years. She was always there when I needed help with my kids. I will forever remember how she took care of Adam after the horrible motorcycle accident 31 years ago that put Daniel in the hospital for weeks and I had to stay with him. Debbie took care of Adam like her own when I couldn't. All our pool days family dinners and just coffee together will be so greatly missed. I love her so much. My sister, friend, my prayer partner I'll see you soon. This life is but a vapor but the next life we never will part again. RIP till I see you again. ❤️*
