“ *Dell Rucks. He was my very first tour bus driver when I arrived in Nashville on my first big truck tour. We rode Van Hools, which normally rode like a log wagon.....but I wasn't sure the bus had actually moved an inch those first couple of days. He was an old school guy.....a perfect gentleman, and he was the bus boss.....end of story. He was a helluva nice guy.....and the finest bust driver the business has ever seen. RIP Dell...*
