“ *Dewayne was like a brother to me what most people don't know is in the 32 year's we was the best of friends, or what I would call brothers. I never ask him for help day or night when he would drop what he was doing and help me with anything. I loved him as a brother and I know he did me I will miss him . God plz watch over him and help his family. If there is anything I can do just let me know I will be there just as he was for me*
