“ Mrs. Jolley was my 3rd Grade teacher at Sylvania HS. She saved my life by performing Heimlich maneuver then eventually patting my back; as I was choking on a Jolly Rancher. I have never forgotten this. She was a stern lady but was always cheerful. God bless her family.

“ I loved visiting and singing with Dot at the Beville Center in Rainsville. We really connected and I could tell she loved the Lord.

“ *Dorothy and my daddy were first cousins. I remember her from when I was a little kid. I grew up playing with Michelle and Darryl at their Grandma Wilma’s house. I remember her smile and laughter the most. She was kind and good and one of the first “real” teachers that I knew personally. She loved music and having fun. I will always remember her!* ”
