“ *I was sorry to learn today of the passing of Mr. Ed. I have known him and his wife for a number of years. I also had the privilege of teaching some of his children at Section High School. The Farmer's lived near my relatives (the Bolt Family) and I know of their love, helpfulness, and kindness of being good neighbors. He was a calm , religious, gentle man who will be missed in his community. My deepest sympathy is extended to his family, but they can have the reassurance of again seeing him someday. God bless this family now and in the days ahead.~~Brenda Brown~~Section*
