“ *The worst thing about moving far away is you lose touch. I just found out Eddie and Jennifer passed. I went to school with Jennifer but worked with her and Eddie in fort Payne for a long time and remember Adriana being born. Eddie was the life of the party. He made work so fun and he and I would laugh till we could not breathe. He will truly be missed by anyone who knew him ... I hope the kids are ok and will stay in my prayers.*

“ *I only knew Eddie a short time, but the min I met him I knew he was going to be a wonderful person to know, he was at my house a few days before he passed and all he talked about was how he loved his sister Renea and the love he had for flowers! RIP Eddie you will now get to watch the flowers grow in HEAVEN❤️❤️❤️*

“ Eddie was a very close cousin growing up. Always fun. He taught me how to ride a bike but not how to stop. He even taught me how to drive a manual He always made you laugh and made it fun to be around. He will be missed. Always in our hearts.
