“ *Lord this wonderful man was a Hoot! He always had something funny to share with me. I can just hear him saying "sister, get a seat right there, I got something I want to tell you". I have know him all my life. So many good memories. To listen to my dad tell the stories of them growing up are some of the best times. He will be greatly missed. Our prayers and thoughts are with the Family and Friends. I will always think of him with a smile on my face. He was a wonderful Man. God Bless this sweet family*

“ He was a jewel from the first time I met him; wanting to meet this girl from Toad Suck, while riding around on his golf cart. It made my heart smile every time I would hear a story of him. Truly he was "Good Folk". Cherish the good memories, may they bring smiles to your faces and comfort to your hearts.
