“ *As far as I know, the family did not create this page- and I'm her son, so I think I would know. But that's ok 'cause anything to help keep her memory is appreciated.*

*If you knew my mom, then you know the loss. If not, let me tell you a few things:*

*Her real,(maiden), name is Rebecca Eunice Faulkner- NOT Eunice Rebecca. I always meant to ask her why she had reversed it, but never did.*

*It may not be "couth" for me to say this, but when she was younger, along with all her sisters, my mother was a babe!, and she has 3 beautiful daughters to prove it!*

*My mother had above average intelligent-I think a big part of that came from her love for reading and the time spent in the service with my father, traveling the world and doing his typing, etc. for his job.*

*My mother wasn't rich financially, her reward is with the Lord- as is mine.*

*My mother was married twice, first to my father, Wayne Lee Sutton, and then to John Thomas Strawn, a man that managed to bring some joy into her life- and she could sometimes make that difficult to do.*

*I will miss my mother, as I miss John- but I know I will see them soon.*

*Love you, Mom*
