“ Yota and Tassiea, I'm so sorry to hear of your Mom's passing. She was Always so good to me. Even when I was a little pest next door that seemed to Never go away. I Always loved and Respected her for the Amazing Lady she was. She Never looked down on me or spoke down to me as many others did. She was kind, loving, and Always accepting of who I was and the environment that I lived in. She made me feel Special and Important. If there were more people like your Mom in this world, we would all be loved like Jesus told us to love each other. She was definitely one of the best people I have ever had the pleasure of knowing. She leaves this world with No question about her eternity. Hopefully I will make it there to see her again in my next life. Love you guys and the Memories we made as Children.
