“ I worked with Gary for over 35 years with CSX/LN. He was a great locomotive engineer!!! Had some great times.

“ I first met Gary through my best friend Mike Andrews. That was a time when the partying continued most of the time. We would all go to Mike's place near Dahlongega

When I could not find a job in the shoe industry in 1995, I went to work for Marietta Dodge to help keep the wolf away from the door. Gary knew of my predicament and Gary came to Marietta Dodge and bought a bright red Dodge Ram truck. Then when I got a job with Bostonian/ Clarks of England we made a move to Charlotte. When I retired we moved back to Marietta, Gary and I reconnected through facebook with Cindy's facebook.

Gary a true friend in the time of need will surely be missed.

Cindy I am so very sorry to hear of Gary's passing my prayers be with you and your family.

Love
