“ To the best Aunt in this world. I know how much you loved roses. You were our rose and I will never forget you. Your love, support and guidance made an everlasting impact on my life. I have nothing but sweet and kind memories of you. I had some of the best times of my childhood at your house. You were my second mother and taught me so much about life and it will stay with me always. Rest in peace, "Niva" Love Always, Timothy
