“ *I just saw this sweet man last week. He was bragging on Brenda and his sweet kids and grandkids. He has been a giant of kindness my whole life. I'm so thankful to be blessed to know the beautiful Manning family. I loved seeing the model car he built and painted to match a photo of the car he was driving when he met Brenda. He also made a model of the car Brenda drove back in the day. Prayers for the family, he will be missed in our community. I love all y'all!*
