“ *Diane, I remember your Mother's as a sweet and caring lady. I am sorry for your loss, however, don't grieve, remember the good times and be thankful for a dear sweet Mother, for she made you what you are today.*

“ *Marilyn, I was so sorry to see this obituary just now. I have met Helen , but did not personally know her. I see quite a resemblance between you two, and I am sure that same sweet tribute was to be found in her as in you. You have always been such such a sweet, smiling, caring, loving friend, and I feel she was the same way. My deepest sympathy is extended to you, Diane and the rest of your family. Isn't it wonderful that you will see her next time in a totally different world? God bless you now and in the days ahead. I love you, Brenda Brown*

“ *I will never forget the days of being next door neighbors to the Browder family in Rainsville. Time sure flies. But it seems like yesterday. The Browders were another example of my multiple parent-like examples in you youth. Warmest wishes to all of you in this time of loss.*

“ Oh, my ... what a Beautiful soul. Mrs. Helen always had such a sweet spirit, and a little twinkle in her eyes. She helped me raise all three, Andrew, Matthew and Elizabeth. Go rest high sweet friend, your heavenly home awaits. Your reward is well deserved. You will certainly be missed!

“ Dianne, I loved your mother. She was so sweet. She and my son, John, shared June 1st as their birthdate. She never missed a year of reminding me of this. That was special to me that she would remember that. She was so loving to them all those years ago at the daycare. Prayers for you and your family
