“ When I met Bro. David about 36 years ago, I remember thinking how wise he was for his years. I'll never forget 32 years ago when our son was born, we were told he probably would not make it through the night. At 2am, with my husband making me aware of the hour, I called the one person I wanted to help me pray, Bro. David. At 9 am the next morning, he walked in my hospital room in Nashville from Chattanooga. He had prayed and counseled my husband already outside and walked with me to see our son and pray with him in the nursery. I felt the power of God that day. Our son has his MBA, is married, enjoying a new home with his wife. Bro. David dedicated both of our children to the Lord and even though I told him, he never realized what a blessing he has been to our family. I am a funeral home manager and I have played the piano for countless churches in my lifetime, seeing hundreds of preachers over the years., I never met a minister that I felt listened to the Holy Spirit and lived his life closer to God than Bro. David. He is completely healed now and rejoicing in the presence of the Lord he preached about for so many years. He traded cancer for a crown. We'll never forget!
