“ *Ms. Jacque was a blessing to those around her when she worked at Pisgah School. I knew her both when I was a teacher and student. Love and prayers for her family.*

“ *I met this sweet lady when I was helping with the Cancer Support Care Group from Henagar. Such a sweet, lovely, gentle lady she was as she cared for her husband. For several years, I didn't see her and then one night I saw her at John Poe's gardening class. But even though I was sure it was the Jackie I knew, her initials on her shirt didn't match who I remembered. After class we talked and she shared what she had been doing during that time we didn't see each other and that she had added another initial to her name. My prayers are with her family.*
