“ Jake "Caveman" Barkley

“ Jake was so much more than our lifelong friend. We considered him to be our brother. Over the years, we went on hundreds of camping trips, went four-wheeling through the woods, and had lots of fun. Jake always enjoyed playing practical jokes and doing things to make us laugh. There was never a dull moment when he was around. ;-)  
We hope he knew how loved he was ... and how loved he will always be. We will miss him more than words can say.

“ *I will miss you so much Uncle Jake! You bought me my first motorcycle (dirt bike) & taught me to ride. You taught me how to drive a straight shift in your Nissan truck, you took me caving, & you always supported the TomBoy side of me. We love you & will miss you so much! Never saying goodbye; I'll see you again! Sis (Selena)*
