“ *I had so much respect for this man, and his family, One of the best neighbors anyone could ask for. If ever I needed to borrow jumper cables, or some kind of wrench or screw driver, Mr. Manning here I come. Before he would come and look at my lawnmower if it would not start, or come and shoot a snake in my yard. He seemed like a gentle soul, hard working, and raised a good son. I know Mrs. Manning is going to be lost without her soulmate. God Bless the family of this great man. Prayers for Mattie, Brian, Chasity, Dakota, and Parker.*

*My deepest sympathy,
Tammie*

“ *Dwight was one of my best friends at Fyffe. We worked together at Fowler's Pest Control at Geraldine after we graduated. If I remember correctly, he was a Ford man through and through and had a '55 Ford that he babied. He was always very likeable and honest and real. He loved to laugh. I am very sorry to hear of his passing. God bless his family and I'm sure you'll remember all the wonderful times.*
