“ *My sincerest sympathy is extended to the family of Jamie Varner. Personally, I did not know her, but through loving friends, her children and beautiful smile I recognized her. Chasta had requested comments of how her mom had influenced their lives. Since our paths did not often cross, it became difficult to name a particular influence. After much thought her children and grandchildren came to mind. She was an intriguing part of their creation, so I felt I came to know her through them. Her children are beautiful, creative, compassionate and hard working. Many of these attributes came from her. Jamie's children will pass her characteristics on to the beautiful grandchildren, so Jamie influenced me by sharing her beautiful family with me. She can peacefully rest knowing her heritage will be demonstrated as they remain and turn into positive additions to their home communities. RIP, Jamie. You will certainly be missed.~~Brenda Brown~~Section*
