“ So sorry to hear of Jane’s passing. She was always fun to be around and we always loved seeing her and the family when they could come back for reunions and decoration. Mother and Daddy thought the world of Jane and so did we all. Heartfelt thoughts and prayers go out to the family during this difficult time. Love, Teena and Ronnie McGee

“ What a beautiful giving lady. I'm so sorry for everyone whom loved and new Jane. Very sorry, she will be missed. Just hearing the cute stories of the love she had for her family, and her beloved dog sugar. I talked with Jane a few times and she made such a loving impact on my life. She taught me to be gracious and to always put God first, she excepted my son nick as her own and was very good to him, thank you thank you Jane for your loving kindness. Love you, love sue.
