“ Clay...I'm at a loss for words. Love and miss you buddy. No one was prepared for this, we all had no idea anything real was going on. Things aren't gonna be the same anymore. I'll be bumping \$uicideboy\$ all week in your memory. Im glad you're not in pain anymore.

“ Clay boy. You made me feel welcome when I was new. I sought your friendship. You were kind. I wish we could have spent more time together. I could tell the days when you wore your hurt on your face and I understood your sorrows for the time. We won't forget you or your humbling nature. You meant more than I probably told you or can tell you now, but you're free. We'll see one another again someday. Unending love brother.
