Everyone who knew Jason, knew how big of a heart he had and how giving he was. No one ever left his presence without a laugh or a smile.

Jason had a special place in his heart for his big brother, Todd. If you saw one of them, the other was by their side.

Jason never had anything negative to say about anyone or anything, unless it was about politics.

The family would like to express a special “Thank You” to the Coates Bend Volunteer Fire Department.

“ *Jason always saved me a seat on the bus. This was when sometimes you would have to stand due to over crowding. He always smiled and was so sweet!*
