“ There are so many memories with Jeff, I wouldn't know where to start. The best way to describe Jeff is: he was a True Friend! Never expected anything in return for helping someone. I met him in the early 90s while working for the poultry company as a service tech for his dad (Snap) and his uncle (Billy Ray) this family accepted me right off, I actually was more comfortable with them than my own in many ways. Jeff was always there to help in any situation, anyone that remembers the poultry business at that time will know what I mean. He and I have a special relationship, we could say anything to each other without offending the other. I am so happy to have been a small part of his life! I would hope everyone could have a friend like Jeff! Rest In Peace Buddy!

“ I've know Jeff most of my life from the time we moved to McEstes and joined Flat Rock church to our oldest kids going to school together. Mama, Papa, Robert, and I are so sorry for his loss. Heaven gained an angel with great kindness. My parents (Larry and Peggy Turner) left McEstes a few years ago but you remained in our hearts. God Bless y'all.

“ This is a loss of a good friend and family man. I have many memories that come to mind but I will share one of the funny ones. While we were attending NACC Jeff told me he was in the chorus. I said, "I didn't even know you could sing." Jeff squinted up his right eye and held his hand up level with his chest and said, "Mashburn we are doing Thus Cacked Henrietta by Ray Stevens and I'm one of the main bock bocks." It brought the house down. lol He was one of a kind!
