“ *It seems like Jenn and I were just making plans for us to try and see each other again. It's been hard since I moved to Nashville. Her laugh and that strong accent is all I can hear when I think of her. She always kept me laughing and crying. Such a sweet person. I grieved over the weekend and tried so hard to at least dream of her. The day after I went out to check the mail and a white butterfly followed me back to the house. I know she wanted to let me know she was ok. She had nothing but open arms for me and all she crossed. I will miss her random phone calls just to chit chat.*
