“ *Jerry was not just a coworker, but a great friend who would always be there for you. He was always there with a joke or a story to tell or just to listen. Im very sad to hear of his passing. He will be greatly missed . Shelly*

“ I worked with Jerry for a few years before he retired from the post office and I would like to say the man was a class act. He was always willing to lend a hand when you needed it. I loved his stories he would tell. He took the time to really get to know you, he would ask me how my family was doing all the time. I remembered one day he asked me what my address was so I told him and a about 2 months later I received a Christmas card from him in the mail. I know I wasn't alone he mailed everyone at work a card. Just the simplest things about Jerry is what I will miss the most. Rest now Jerry I will miss you, your friend, Lisa

“ One of the greatest blessings in my life was making a connection with my brothers and sister. That was 10 years ago. Since then Jerry and I have enjoyed many hours chatting on the phone. I so enjoyed those visits. Jerry was an intelligent individual and truly a follower of the Lord. You will truly be missed and always loved. Rest in peace brother. Love ya. Bill
