“ *When I think about Jessica I can't help but remember the little girl that came into our lives when Denise introduced her to us. She was funny, loud, inquisitive, and very bright. I pray she has found her path and is at peace. She is going to be missed by a lot of people, especially those babies of hers. I am praying for everyone. She left all of us with memories and we will think of her often in the upcoming days!*

“ Eyes as big as saucers with cheeks to match. A smile to light any room . She called her passy her Debo and loved What shakes (Milk shakes) The fist born of one of my most loved people. From birth to just the other week Jessica always had a smile and hug for me. Was she perfect ...far from it but O How she loved and O how she will always be loved. This is one of those times in life that doesn't seem real.. part of the journey that we wish could be avoided ...To her 5 kids especially the oldest one y'all know I have always loved y'all and Denise one my forever best friends. I am sorry for your loss. Fly high Jessica enjoy Jesus .. heaven and freedom . I love you
