“ Words cannot express how much our hearts are hurting right now' so much to say but I know it would take a lifetime. Growing up with him in my life daily became a second father to me and my siblings as well as aunt Jackie being a second mother ' to us kids. I know we are here for a short time but never would I have thought this man would have left us so soon ' though he was stern and hard at times you couldn't have ask for a better friend/ family member he would give you the shirt off his back. His door was open to everyone ' Who will be on the other end of the phone now in silence Playing Christmas in Dixie while tears are pouring down my face he would be laughing ' or the candy canes I got to get off the Tree . This was things he done ever since I was a teenager and though may seem small to others it meant the world to me. I'm definitely going to miss Him.... He and aunt Jackie are monarchs as Ive said they are suppose to last forever ' nevertheless time marches on and though today they lay him to rest I know that one day all of us too will be together again. he was one of a kind for sure and there will never be another.. we will never forget you that's for sure ' rest easy ole man till we all meet again' we love you and will keep your memory close to our hearts. Love ' Hilda
