“ A Joy to many - Jimmy knew... you share love when you feed people. Love is the secret ingredient in the best tasting food. You could taste the love in his food. Sit them down, break bread together, many a difference has been settled when folks take the time to sit down and share a meal . A huge heart has stopped beating here.. a new Light shines down from above. Let us honor and remember Jimmy when we share our bounty and give people a good meal and company over the tables we eat at.

“ *...A golden heart stopped beating; hard working hands at rest, God broke our hearts to prove to us, He only takes the best.”*

The most generous person we had the honor of meeting and knowing.

He truly exemplified a selfless heart. I will miss our chats about politics, and local Mentone news.

Always looking for that red jeep in the parking lot...

Our condolences to his family, his friends and to the community of Mentone.

“ *Jimmy, I have sweet memories of you, Sharon, and your sweet parents, Lelon and Betty. I, along with my parents, Calvin and Rachel Clifton, and two sisters, Linda and Cathy, enjoyed many visits in your families home back in our 'younger' days. With Love always, Carolyn Clifton Fields*

“ What a giving soul! We knew you for 8 years or so, and I cannot fathom that you are gone! You have left behind a legacy of kindness and selflessness to Mentone and all that knew you. Everyone was beautiful to you. You were a steadfast beacon for your caretaking, your animals that needed a home and love, and your restaurant that you worked so hard to bring it to a well known place! You just shined fairness, and steadfastness in all you believed in. I could go on. I am so so saddened I wont get to see you when I return for a visit to North AI.
I know this your giving spirit will never be forgotten. My heart goes out to Jimmy's family and dear friends.

“ Condolences to all in Mentone. I live in Birmingham, but have a good friend who lives in Mentone. I first met Jimmy 5+ years ago when he was at Kamama. I've since eaten several times at The Greenleaf.....the last time being Christmas Day at the Potluck. He was always so very kind, hugging me like we were old friends.

I was absolutely shocked and dismayed as I was scrolling Facebook during the Super Bowl, to learn of his sudden demise. We were FB friends, and I loved how absolutely supportive he was of the town, our Auburn Tigers, and our President. I actually cried when I went to bed last night as I prayed. He was just an extraordinary guy, who I know will be greatly missed.

I can't imagine how I'm going to feel the next time I go to Mentone. Deeply saddened, as I've been the last 24 hours, I am sure.

“ So sorry we ate there a lot, we ate Sat. Night he was very busy. I loved his potato salad, well everything is great there. Not long ago his 90 something year old Aunt was there visiting, he introduced us to her. My husband also graduated with Jimmy. Will miss his smile and his white sunvizer. Our prayers are with family, (Green Leaf Family), and community. GOD BLESS! Robin and Jerry Lee Thompson.
