“ This seems so unreal. JoAlice was a part of our neighborhood family on Day Avenue. So many memories that still bring laughter when we think of them. Jo will be greatly missed. Prayers go up for all of her family.

Jo, I will always remember you for your kind heart. You loved people unconditionally. I will never forget the days that you sat with my father when I could not. Then you came and sat with the family and Daddy at Shepherds Cove. That's the kind of person you were. Please tell Daddy "hello" for me. Gary and I will miss you. Go fly high sweet angel.
